Sir,

I am enclosing for disposal a return Travelling allowance bill received from the Supdt. of Police on behalf of V. Govinda Iyer Coffee Curer Mangalore for Major.

Stating that Curer claims for hire for four carts to carry his necessary baggage and the amount claimed under Art. 582 of M. S. R. as claimed for exceeds the amount for Rs. 15 the charges otherwise admissible under the rules.

Note

A draft order conveying the committee's views is put up. But it is respectfully subd that the art 1127 referred to by the councillor deals with ordinary mileage rates of an officer but not with the cost of conveyance of the necessary baggage of a Police officer below the rank of the Asst Superintendent. The corresponding art in the British Civil Service Regulations is art 582 of the Myore Service Regns which deals with this latter point is 1208; and this art: is silent as to whether the actual cost of conveyance may or may not exceed the travelling allce under the rules. The explanation given in the Madras Supplement of the art 1208 is also

* copy put up (marked A)

Circular on the point. It states that the words "actual expenses" mentioned in the remarks col: of the bill until an officer Art 1209 of the British C. Service Regulations says that in the N.W.F. Province and Sind, Tahsildars and Revenue and Judicial and Ministerial officers in Superior service, when on transfer are allowed actual expenses not exceeding the allowances admissible under chapter XLVIII. It is doubtful what the practice is in British India. May the Comptroller be therefore requested to ascertain and report the same before passing final orders on the subject. Submitted for order.

Ordinary Mileage Rates

1127. For journeys by road, mileage allowance is calculated at the following rates:—

Officers of the 1st class	8
" " 2nd "	4
" " 3rd "	2
" " 4th "	1

provided that (except in cases of transfer) a Non-gazetted Ministerial or a Menial Officer is only entitled to actual travelling expenses not exceeding the rate for his class. [See Rule 1 under Article 1170(ii).]

Exceptions

[C. S. R.—1208]

Police Officers

Whenever actual expenses are claimed on account of subordinate Police officers in travelling allowance bills, a note should be made against all such items in the bill to the effect that the amount claimed represents the actual travelling expenses incurred by the officer concerned. The words "actual expenses" written in the remarks column of the bill will suffice.

Exceptions.

SIR,

In enclosing herein for reference and obliging return Travelling allowance bill received from the Inspector General of Police on behalf of V.Ganesa Iyer, Coffee Inspector, Manjarabad Taluk for May 1901, I have the honor to state that the Inspector claims for hire for four carts to carry his necessary baggage and the amount claimed under Article 582 of the Mysore Service Regulations as claimed for exceeds the amount of Travelling allowance that would otherwise be admissible under the rules. Sir,
